RE: MUR 4766

Dear Mr. Huckaby:

As the attorney assigned to MUR 4766, I am writing to inquire about the absence in our file of a response from the National Republican Senatorial Committee ("the NRSC") to the complaint in this matter. Because we have also not found in our files a blanket designation of counsel from the NRSC, I am addressing this inquiry to you directly.

According to the file in MUR 4766, you were notified of the complaint on July 2, 1998. There is, of course, no requirement that the NRSC or you respond; however, we are concerned that you may not have received the complaint. Enclosed is another copy.

If you did not receive the original notification, please let me know that fact within ten days of your receipt of this letter. In the event you did not receive the earlier notice, and you wish to file a response at this time, we would also appreciate being so informed within the same time period. If I do not hear from you, I will assume that you and the NRSC do not intend to file a response. I can be reached at (202) 694-1650.

Thank you for your attention to this inquiry.

Sincerely,
